

Bonnie Pfeiderer announced as Honoree for 2022 Women of Valor Awards Tea to Benefit St. Francis Food Pantries and Shelters

New York, NY – June 29, 2022 – Ryan Soames Engineering (RSE) is pleased to announce their very own Bonnie Pfeiderer has been announced as one of the honorees for the 18th Annual 2022 Women of Valor Awards Tea to benefit St. Francis Food Pantries and Shelters on August 11th at the Marriott Marquis in New York. This incredible foundation is a nonsectarian nonprofit that works to alleviate the physical and emotional hunger of the underserved and needy in a dignified and supportive manner. St. Francis Food Pantries and Shelters supports a network of more than forty charitable food pantries, shelters, soup kitchens, and drop-in centers that provide a broad range of services for those in need, including the provision of food, clothing, shelter, and related social services for the poor. Bonnie shares good company with fellow honorees: Gabrielle Rubin Deveaux, Katie Grishman, Karen Hernandez, Theodora Livadiotis, Lisa-Anna Malecki, Khyati Shah and Marie Toucet.

Bonnie Pfeiderer has developed new business strategies, managed client relationships, created strategic communications and marketing plans, and heightened RSE’s presence within the real estate and construction sectors. She has over 15 years of experience in business development and continues to make an indelible footprint within the construction and real estate industries.

In addition to her work responsibilities, Bonnie is an active member of the New York community, where she is involved with several philanthropic and professional trade associations including St. Francis Food Pantries & Shelters, Golf for Hunger, Spin for Hunger, enCourage Kids Foundation, Caring to Remember, IFMA Cares NYC and Friends of Feed the Front Lines where she organized and brought together her friends and top leaders within the New York City real estate and A/E/C industry to further Feed the Frontlines NYC’s mission during the second wave of the pandemic and at a critical time for New York City’s recovery. Together, they launched an executive committee called Friends of Feed the Frontlines on February 1, 2021. The committee surpassed their \$50,000 goal in less than one month, securing over 3,600 restaurant meals for New Yorkers.

Ryan Soames shares the same passion for philanthropic work as Bonnie, so much so, that the firm has incorporated these organizations into its philanthropic calendar.

ryan soames engineering

Ryan Soames Engineering is a professional consulting engineering firm based in New York, New Jersey, and Florida. Ryan Soames specializes in MEP Engineering and Energy Conservation with a specific focus on building design, integrated building services, and energy-efficient engineering. We take pride in our ability to define the scope and goals of our projects in the early design stages to ensure the appropriate procurement route and scope of services are understood by the team. RSE has experience with working on a wide range of project types including commercial, cultural, education, environmental, media, hospitality, residential, amongst many others.
