

COOLTO STUDIO

2955 Ponce de Leon Boulevard, Coral Gables, FL

Description

Ryan Soames Engineering designed a 1,500 square foot state-of-the-art fitness facility for Coolto Studio in Miami, FL. RSE provided MEP/FP/FA engineering services, overcoming location constraints to meet the franchisee's vision. Using the latest technology and Building Information Modeling (BIM), RSE delivered a comprehensive package that met all client expectations with precision and accuracy.

At Coolto Fitness, you don't just join a gym, you join a community committed to wellness and self-improvement. This is where your health and fitness goals become a priority, in a motivating environment equipped with the best facilities.
